

VACANCY

Date:	January 19, 2012	Position:	Licensed Practical Nurse
Status:	Casual	Hours of Work:	Casual
Department:	Primary Health	Job Posting No.:	2012-03
Reports to:	PH Services Manager	Closing Date:	Open until filled

Position Description:

Consistent with the principles of primary health care and the Vision, Mission and Values of Mount Carmel Clinic, the Licensed Practical Nurse provides health care within the scope of nursing practice for clients of the South Point Douglas Community and newcomers. As a member of a client-centered interdisciplinary team, the LPN provides care to individuals across the life span, promoting health, preventing illness and assisting individuals, families and groups to achieve an optimal state of health. This position will support physician directed care.

Qualifications & Responsibilities:

- Graduate of approved Licensed Practical Nurse education program.
- Knowledge of the Standards of Practice for Licensed Practical Nurses
- Current CPR Certification
- Minimum three (3) years experience in community health.
- Performs prescribed interventions (tests, medications, treatments) and work delegated from the Physicians.
- Assists and supports the client to follow through on prescribed medical interventions and diagnostic testing. Informs and educates clients regarding the meaning and implications of test results and prescribed interventions.
- Applies principles of population health by collaborating to implement strategies to prevent illness and injury, e.g. Immunization, communicable disease and strategies to prevent abuse, and addictive behaviours within the scope of nursing practice.
- Excellent interpersonal, organizational and communication skills (written & verbal) are essential
- Ability to work independently and within an inter-disciplinary team environment with respect, professionalism, co-operation, sensitivity and cultural awareness
- Knowledge and understanding of Aboriginal cultures and traditions
