| Date: | December 8, 2011 | Position: | Registered Nurse III -Teen Clinic |
| Status: | Part-Time Permanent (.6 FTE) | Hours of Work: | Wednesdays 8:45 – 5:00 Thursdays – 12 – 8:00 Fridays – 8:45 – 5:00 |
| Department: | Primary Health | Job Posting No.: | 2011-54 |
| Reports to: | Primary Health Services Manager | Closing Date: | December 16, 2011 |

Position Description:

The Teen Clinic Nurse provides health services within the scope of nursing practices to individuals at various teen clinic sites of Mount Carmel Clinic. As a member of a client-centred interdisciplinary team, the incumbent provides care to individuals primarily between the ages of 12-21 with a focus on reproductive health, healthy sexuality, and mental health. This position works afternoons and evenings. This position is responsible for orienting, mentoring, training and supervising Volunteers.

Teen Clinic sites include and not limited to St. John's High School and Thursday Teen Clinic at Mount Carmel Clinic. The incumbent may also be asked to assist with RB Russell Teen Clinic. Also attends monthly volunteer committee meetings and Volunteer Training sessions. Training Sessions are decided as a committee and are 3 – 6 hours in length.

Qualifications:

- Graduate of approved Registered Nursing education program. BN Preferred and a current registered member in good standing with CRNM.
- Current CPR Certification at Basic Level.
- A minimum of 3 years experience in a community health setting
- A minimum of 5 years experience working as a RN
- Experience working with Teens is a definite asset.
- Demonstrated knowledge of HIV pre and post-test counselling
- Must have the ability to provide reproductive health and pregnancy counselling to clients the ages of 12-21 by providing thorough/concise information about all pregnancy options to all clients.
- Demonstrated clinical skill in: physical and mental examinations, nursing interventions, PAPs, STI assessment and treatments.
- Knowledgeable in suicide intervention, crisis interventions, and mental health concerns and therapies.
- Experience in delivering both individual and group educational sessions.
- Able to work in a multi-disciplinary environment with respect, professionalism, co-operation, sensitivity and cultural awareness.
- Strong interpersonal skills and excellent communication skills.
- Demonstrated critical thinking/problem solving skills.
- Ability to recognize and pursue self-development opportunities.
- Ability to function in a demanding and stressful environment.
- Ability to work for a pro-choice facility in that focuses on population health and harm reduction philosophies.
- Knowledge and understanding of issues impacting the health of inner city residence.

Applicants may be required to undergo testing to determine their knowledge, skills and ability as they relate to the position. All positions are subject to Criminal Record and Child Abuse Registry check in accordance with Security Checks Policy and Procedures.
