Position Summary

The Diabetes Nurse Educator provides health education and care within the scope of nursing practice. As a member of a client-centered interdisciplinary team, the Diabetes Nurse Educator provides care to individuals across the life span promoting wellness, prevention of disease and/or disability and the management of Diabetes and other chronic diseases/conditions. The incumbent works as an advocate on behalf of the client to ensure the appropriate links/referrals to other human services that would enable the client to achieve their health goals.

Qualifications

Education & Licencing

Must be licensed to practice in Manitoba and member in good standing with CRNM
Graduate of approved Registered Nursing education program, BN preferred
Current CPR certification at the Basic Rescuer Level

Skills, Expertise and Experience

A minimum of five (5) years' experience working as a Registered Nurse
A minimum of three (3) years' experience working in an inner city community health setting
Must be a Certified Diabetes Educator with current Certification as outlined by the Canadian Diabetes Educator Certification Board
Understanding of the assets, challenges, needs and interests of MCC's clients and community

Critical Skills

Proven knowledge and ability in critical thinking, decision-making, problem-solving, and crisis management

Focus on Results

Demonstrated ability to manage programs, projects and initiatives to effectively and efficiently achieve their goals and produce expected results/outcomes

Alignment with Organizational Values

Commitment to the principles that guide Mount Carmel Clinic, as reflected in the history, vision, mission and values

Commitment to Reconciliation

Awareness of Indigenous history and its impact on the health and well-being of individuals and families

Teamwork

Proven ability to work independently and within a team environment with respect, professionalism, cooperation, sensitivity and cultural awareness

Communication

Good interpersonal and verbal communication skills and familiarity with the use of computers, including e-mail (Outlook)

MCC Philosophies

Strong knowledge, commitment and demonstrated ability to apply diversity, equity, cultural safety, pro-choice, social determinants of health, population health, harm reduction, trauma-informed and community development principles in all aspects of the work

Assets:

Knowledge of computerized eChart/Accuro programs
Multiple Languages

All positions are subject to Criminal Record and Child Abuse Registry checks. Applicants may be required to undergo testing to determine the knowledge, skill and ability required for position.

Mount Carmel Clinic is committed to equity and inclusion and has undertaken to increase responsiveness to Indigenous people by promoting a workforce that is representative of the participants and communities we serve. We encourage applications from Indigenous persons, those with lived experience and members of equity-seeking groups. Applicants are encouraged to self-declare in their application.
